WALLACEBURG ADVISORY TEAM FOR A CLEANER HABITAT (WATCH)

PRESENTS CERTIFICATE OF APPRECIATION

TO WILSON PLAIN JR. AND AAMJIWNAANG

Members of WATCH presented a Certificate of Appreciation to Mr. Wilson Plain Jr. at the June 3, 2019 Aamjiwnaang Council Meeting. The Everbridge Emergency Notification System adopted by Aamjiwnaang and Mr. Plain Jr, the Emergency Management Planner, has provided the much needed leadership for residents of Sarnia, Corunna and downstream communities to support *Community Right to Know* about St. Clair River and chemical valley manufacturing such as emergency operations, training, flaring, spill incidents, upsets and monthly reports.

"WATCH unanimously voted to recognize the leadership and long term dedication provided by Mr. Plain Jr. and Aamjiwnaang in keeping the downstream residents informed about emergency measures originating from Sarnia chemical valley. We are fortunate to have champions like Mr. Plain Jr. in our community," said Kris Lee, Chair WATCH
